

# Immploy

**Source Locally. Hire Globally.**

Immploy connects employers with immigrant talent to foster economic prosperity.

As Canada's workforce gets older and emerging industries require more specialized skill sets, our region's economic prosperity will be directly linked to our ability to attract and retain skilled immigrants. When employers are able to access the qualified talent needed at the right time, companies thrive and everyone benefits.

## Recruitment Resources

Immploy links you, your company, and your professional networks to effective immigrant employment tools and resources including:

**Search tools** to access pre-screened local and province-wide talent.

**Mentoring programs** that strengthen leadership, coaching, and cross-cultural skills of your employees.

**Screening support** for evaluating international credentials and language skills.

**Connections** with business leaders and other professionals who have successfully attracted and retained talent.

Skilled immigrants provide your business with a global advantage – providing insight into other business cultures, access to international markets, valuable language skills, and new technologies. That's why hiring immigrants is the right thing to do – it makes for good business.
