Website: www.alzheimerelgin.ca

First Link® is a program that connects persons with dementia, or persons caring for someone with dementia, to resources, educational opportunities and support. Upon referral, a First Link Co-ordinator will contact your client/patient to determine their needs and provide them with the appropriate resources. **Please fax this form to 519-633-7028, or call us at 519-633-4396.**

Thank you for your referral.
